“780 CMR 5111.0 PERMITS 5111.1 Action on application: The building official shall examine or cause to be examined all applications for permits and amendments thereto within 30 days after filing thereof. If the application or the construction documents do not conform to the requirements of 780 CMR and all pertinent laws under the building official’s jurisdiction, the building official shall reject such application in writing, stating the reasons therefore. If the building official is satisfied that the proposed work conforms to the requirements of 780 CMR and all laws and ordinances applicable thereto, the building official shall issue a permit therefore.”

NOTES:	
1.	An Owner who obtains a building permit to do his/her own work, or an owner who hires an unregistered contractor (not registered in the Home Improvement Contractor (HIC) Program), will <i>not</i> have access to the arbitration program or guaranty fund under M.G.L. c. 142A. Other important information on the HIC Program and Construction Supervisor Licensing (CSL) can be found in 780 CMR Regulations 110.R6 and 110.R5, respectively.
