Waste Removal and Recycling

Dear Grafton Resident:

Thank you for allowing us to service your curbside trash and recycling needs. We look forward to continue servicing your needs under our agreement with the Town.

The Town's Pay-As-You-Throw program continues to provide real savings by reducing the amount of trash that is sent to the incinerator. Recycling continues to increase and the automated carts that we started using in June 2012 have increased your annual recycling!

We are not proposing any route or schedule changes during this calendar period. Please review the calendar and other helpful information within this flyer.

Thank you,

E.L. Harvey & Sons Team
