This development "The Ridings" between Adams Rd Grafton & Westborough I hope will Not provide access for traffic to go from Adams Rd Grafton to Adams Rd in Westborough. Creating more traffic cutting off Rte 140 Grafton through to Adams Rd. Grafton.

It will be very convenient for drivers who want to go from Rte 140, to Meadowbrook Rd., or Merriam Rd, then Adams Rd., Go through the new subdivision to Adams Rd in Westborough to Route 135 towards Hopkinton.

Currently the traffic has to go from Old Westboro Rd. (Route 30) through downtown Westboro to Route 135. Which eliminates traffic through the side residential roads.

The new residential development should have no road access to cut through from Grafton to Westborough to alleviate cut through traffic.
