# **FINAL REPORT GRAFTON CHARTER COMMISSION**

## **Introduction**

The Grafton Charter Review Committee is pleased to present its final report of recommended changes to the Grafton Home Rule Charter as amended May 5<sup>th</sup> 2008. We want to thank all of the Town Boards and Committees and Town Citizens for their input during this process. The committee was appointed by Town Moderator Raymond Mead in accordance with Article 7 Section 7-7 (a) of the existing charter. Our charge was to review each article of the Charter to insure that it conforms to the current Massachusetts General Laws and By-Laws of the Town of Grafton. To check for spelling and capitalization errors as well as sentence structure in order to insure correctness. To receive input and suggestions from Town Boards, Committees and Town Citizens for changes to the Charter and to present our final report to Town meeting.

The Committee's first meeting was held on June 9, 2016. During the course of the next several months, we reviewed the Charter, section by section; discussing any perceived deficiencies and need for amendment of each section. The Committee also held a public hearing where we received verbal as well as written input from Town Officials, Committees and citizens. All meetings were open to the public and recorded by the Grafton Cable Committee. Recordings were made available for viewing on demand. In addition, meeting minutes were posted on the Town website.

Our recommendations for changes to the Charter are based on requests received by the Board of Selectman, Town Moderator and Town Citizens. A large portion of those changes are routine spelling, capitalization and sentence structure changes as well as changes made to bring the charter into compliance with existing Town Bylaws and current Massachusetts General Laws. However, there were three major changes requested as follows:

1. To change the position of Town Clerk from an elected to an appointed position. The Town Clerk position has become a complicated and technical position. It was recommended that the position should be appointed rather than elected. After hearing input during the public meetings, the Charter Review Committee concluded unanimously that Town Clerk position should be appointed by the Board of Selectman. This can be found in the proposed Charter under Article 5 section 5-7.
2. To change the position of Planning Board from an elected to an appointed position. There was a great deal of discussion about this proposed change at the public hearing as well as at the public meeting held with the Planning Board and the Select Board. While the Charter Review Committee was not unanimously in favor of this change, after careful

consideration & discussion by the committee, it was voted unanimously to approve that this proposed change be presented at Town Meeting so that it could be discussed and voted on by the voters in an open forum. This change can be found in the proposed Charter under Article 5 Section 5-8

3. To change the form of Government from Open Town Meeting to Representative Town meeting. This proposal was made in an attempt to increase attendance at Town meeting and in an attempt to strike a balance between the ideals of participatory and representative democracy. By having elected voters from each precinct it was thought that there is a greater chance of having a true representation of the town at the meetings. This change would also help prevent special interests or single issues from dominating a meeting. Electing representatives can actually boost meeting attendance, and meeting members are more likely to form committees and formulate legislation than an open town meeting. However, after discussions at several meetings, we received information from Town Counsel that changing the form of government can only be made by a Charter Committee of nine members elected by the Town by ballot just as the original Charter Committee was in 1986. Therefore, this request was tabled by the committee.

### **Summary of Changes**
