

Proposed Light Industrial Project 124 Westboro Road, Grafton

An Expanded Environmental Notification Form and Proposed Environmental Impact Report have been filed pursuant to the MA Environmental Policy Act (MEPA) for a proposed light industrial project at 124 Westboro Road in Grafton. The project proponent invites the public to contact them directly if they have any questions or concerns about the project.

Project Information

The project proponent, Westboro Road Property Owner, LLC, has filed an Expanded Environmental Notification Form for its proposed new light industrial/flex warehouse facility off of Route 30 in Grafton.

The project will provide approximately 200,000 square feet (sf) of general light industrial/Research & Development (R&D) split between two buildings. The project also includes approximately 298 parking spaces (plus room to accommodate another 106 spaces that can be constructed in the future should demand warrant them). Access to the project will be from a new driveway off of Route 30 (Westboro Road). See below QR code for the project's webpage.
