Planning Board Public Comment Form

Use the drop-down menu to select a topic. Each public hearing is listed separately. Select the "Planning Board Meeting - General Comments" option if you wish to submit comments relating to other agenda items. All public hearing comments submitted to the Planning Department will be entered into the public record, distributed to the Planning Board and posted on this Town's website.

Please Note: All public hearing comments must be received before the close of the public hearing. Any comments received after the hearing is closed will not be considered as part of the Board's decision.

If you would like to learn more about projects reviewed by the Planning Board including those in the permitting process, under construction or completed, visit the [Development Projects page](#).

For Proposed Zoning Amendments to be voted upon at Town Meeting, visit the [Zoning Initiatives and Proposed Town Meeting Warrant Articles page](#).

If you have any questions, please contact the Planning Department at 508-839-5335 ext.1400.

Thank you.

Public Comment Disclaimer I have read and understand the Public Comment Disclaimer.

Comments I fully support this use for this space on our Common. The addition of a cafe and ice cream shop will compliment the other businesses on the common and will bring more foot traffic to the other businesses.
